Assistant Commissioner of Patents  
Washington, D.C. 20231

Sir:

**AMENDMENT**

In response to the office action dated January 31, 2002, amendment and reconsideration of the above application is requested.

**CLAIMS**

Please amend claims 50 and 51 as follows:

50. (Second Amended) A method of processing segments of a continuous flexible web wherein a stretch of the web is incrementally advanced under tension to successively feed at least one segment of the web to a web processing station having processing components, said method comprising:
